To Whom It May Concern,

I am writing in protest to the increase of the price for utilities in Richland County. We are currently already paying an extremely high price for sewage. At the increased price of \$66.62 a month, many would be paying three times what they pay for water. In the last 10 years sewage has gone up over 23.00 dollars a month, that's almost 280.00 dollars a year in increases. We as people should not have to continue to pay these high prices for things such as water and sewage. Thank you.

I am requesting the commission hold a public hearing in my county Richland 2. I moved from Maryland and find these rates unfair. I am widowed and live alone but pay the same rate as a family of six. Everywhere else I have lived <sup>they</sup> tied your billing expense to your water consumption. I always pay my bills but would like it to be fair. Palmetto just raised their rates. Is it poor management? Thank you.

To Whom It May Concern:

I have been in my house since 2007 and sewage was \$29.50. It has doubled now and is very extreme. Now a consideration of an increase is very extreme. Please do not allow this increase to occur.
